

STOOL

SPUTNIK 099

Sputnik 099 is a stool in solid birch, where the design is inspired by a stylized space rocket. The stools in the Sputnik family come in six different designs, with three heights and a choice of upholstered or wooden seat. Sputnik 099 stool is labeled with FSC Mix. As standard, it is available in clear lacquered birch, or black or white stain.

Sputnik är ritad av Björn Dahlström.

DIMENSIONS

Height	45 cm
Seat height	45 cm
Diameter	36 cm

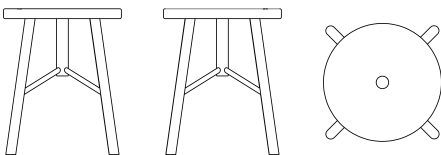

Any NCS-color available as an option on this product.

ADDED VALUE

- Design inspired by space rocket
- Stool with seat height 45cm
- Any color
- Tested for public use and meets the requirements for durability & safety, set forth in the following standard, EN 16139

ACCESSORIES

- Frame in birch
- Frame in any color
- Available in wooden and fixed upholstered seat

REUSE

- Solid wood

WOOD

Wood is a living material whose grain from the very beginning has a natural variation in pattern, color tone and luster. The wood is affected by, among other things, the season, heat and humidity. That wood is a living material means:

- Screws need to be re-tightened regularly, at least once a year.
- Solid table tops can naturally warp by up to 0.5%.
- Light from the sun and lighting can cause permanent color and light differences in the surface, so allow the entire wooden surface to be exposed to the same amount of light.

Out of concern for the environment, we paint a large part of our range with water-based surface treatments. This means:

- Spills of coffee and other liquids need to be wiped up immediately.
- For cleaning, hand washing detergent or pH-neutral detergents and lukewarm water are recommended. Wipe off with clean water and wipe dry. Do not use cleaning agents that are alkaline, aggressive, contain abrasives or solvents.
- For disinfection, non-alcohol-based agents are recommended, e.g. Virkon or DAX Alco Free. Alcohol-based agents must not be used.
