

FUNCTIONAL ARMCHAIR

DAHLIA 820

Dahlia Recliner, the latest addition to the Dahlia furniture family. This elegant armchair is designed to combine comfort and functionality in the best way. With an adjustable backrest and a built-in footrest, Dahlia Recliner can be adjusted to provide the perfect support for both relaxation and recovery

The innovative mechanism that helps you rise from the armchair makes it especially user-friendly and provides extra support with every movement. The electric, rechargeable mechanism means you can place the armchair wherever you want without worrying about power outlets. It makes it easy to adjust the seat, backrest, and headrest for a tailored sitting experience. Dahlia Recliner is more than just an armchair - it's a place for recovery and relaxation. The removable fabrics on the seat, back, and head cushions make it easy to keep the armchair fresh and clean.

Dahlia is a fully upholstered, soft and comfortable family of sofas and armchairs. It is designed to create an inviting feel to the public environments of the future.

Dahlia är ritad av NC Design Studio.

ADDED VALUE

VIEWS

- Armrest protection
- Rubber/Hospital fabric on the seat

REUSE

- Removable upholstery

FABRIC

- Removable and washable fabrics are washed according to washing instructions. These are sewn with a shrink seam, wash before use for optimal fit.
- Vacuuming with a soft nozzle is often sufficient for cleaning.
- Stains should always be removed as quickly as possible. In most cases, wiping with a damp cloth is sufficient, for more difficult stains, a pH-neutral detergent or a foam detergent for professional use can be used.
- Always use white cloths and avoid wetting a woolen fabric to a greater extent, as this risks remaining stains.
- If necessary, a foam detergent can also be used for a more thorough cleaning if this is allowed in the fabric's specification.
