COFFEE TABLE
NIVÅ 603

Nivå 603 is a round table with a stylish design, featuring a diameter of 80 cm. Nivå is available in birch and stained in white or black as standard. The tabletop is available in birch veneer, birch laminate, and white laminate. The series includes seven different models and formats: round, oval, rectangular, or square. The table height is 59 cm throughout.

The coffee table series Nivå is marked with Möbelfakta and FSC-mix.

Nivå är ritad av NC Design Studio.

ADDED VALUE

- Stylish coffee table
- Any color
- Tested for public use and meets the requirements for durability & safety, set forth in the following standard, EN 15372

ACCESSORIES

- Frame in birch
- Frame in any color
- The top is available in birch laminate and white laminate
- Many color variants for the tabletop

REUSE

- Solid wood (leg stand)

WOOD

Wood is a living material whose grain from the very beginning has a natural variation in pattern, color tone and luster. The wood is affected by, among other things, the season, heat and humidity. That wood is a living material means:

- Screws need to be re-tightened regularly, at least once a year.

- Solid table tops can naturally warp by up to 0.5%.

- Light from the sun and lighting can cause permanent color and light differences in the surface, so allow the entire wooden surface to be exposed to the same amount of light.

Out of concern for the environment, we paint a large part of our range with water-based surface treatments. This means:

- Spills of coffee and other liquids need to be wiped up immediately.

- For cleaning, hand washing detergent or pH-neutral detergents and lukewarm water are recommended. Wipe off with clean water and wipe dry. Do not use cleaning agents that are alkaline, aggressive, contain abrasives or solvents.

- For disinfection, non-alcohol-based agents are recommended, e.g. Virkon or DAX Alco Free. Alcohol-based agents must not be used.
